Here we are in beautiful, elegant San Antonio enjoying a lovely vacation at the Hotel James Hotel. We had a very bumpy flight - our plane was 2 hours late! It would happen to me! - Hotel took us one day to the Fisher Ranch in East Texas to see the oil-drilling rig his company had set up. It was fascinating - yesterday, we had a marvelous Christmas dinner at Hotel - prime rib. Also had Jamney - Courtney & family. Tomorrow we fly home! Love, Happy New Year & Many - Gerry
